Prescot Bush

Personal Life

- **Early Life**: Prescott Sheldon Bush was born on May 15, 1895, in Columbus, Ohio. He was the son of Samuel Prescott Bush and Flora Sheldon Bush. His father was a railroad middle manager who later became a steel company president and a federal government official during World War I.

- **Education**: Prescott attended St. George's School in Rhode Island and later Yale College, where he was involved in various activities, including being a member of the Skull and Bones secret society.

- **Family**: He married Dorothy Walker on August 6, 1921. They had five children: Prescott Jr., George (who would become the 41st President of the United States), Nancy, Jonathan, and William.

- **Later Years and Death**: Prescott Bush passed away on October 8, 1972, in New York City.

Professional Life

- **Military Service**: During World War I, Prescott served as a captain in the U.S. Army's 158th Field Artillery Brigade.

- **Banking Career**: After the war, he worked for several companies before becoming a partner at the investment bank Brown Brothers Harriman & Co. in 1931.

- **Political Career**: Prescott Bush was elected to the U.S. Senate from Connecticut in 1952 and served until 1963. He was a strong supporter of President Dwight D. Eisenhower and played a role in the creation of the Interstate Highway System.

- **Legacy**: Prescott Bush is remembered as a significant figure in both the banking industry and American politics. He was the patriarch of the Bush political dynasty, which includes his son, President George H. W. Bush, and his grandsons, President George W. Bush and Governor Jeb Bush.

Prescott Bush's life was marked by his contributions to both the financial sector and

American politics, leaving a lasting legacy through his family's continued influence.
